PETITION FOR RULE MAKING

Pursuant to 47 C.F.R. 1.401, Robert Fabian respectfully petitions the FCC to institute a Rule Making proceeding to amend the FM Table of Allotments to add Channel 275A at Leakey, Texas.

DISCUSSION

Petitioner respectfully submits that the public interest would be served by allocating Channel 275A to Leakey, Texas, as that community's first competing commercial FM service. Leakey is an incorporated community of over 400 people. Leakey has its own mayor, Jessie Penley, its own post office, its own volunteer fire department, its own school district and a number of local churches. The proposed channel 275A will provide additional diversity and an outlet for local self-expression to Leakey residents and therefore is in the public interest.

Petition for Rule Making

Leakey, Texas

Page 2

Attached hereto is a channel study confirming that Channel 275A can be allocated to Leakey, Texas consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

Reference coordinates are:

29 41 30 N

99 50 07 W

Should this petition be granted, and Channel 275A be allotted to Leakey, Texas, Petitioner will apply for Channel 275A, and after it is authorized, will promptly construct the new facility.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

Robert Fabian
